***WHY SHOULD
YOU
BECOME A
MEMBER?***

Because they're counting on you!

The Ellis County SPCA Membership Program was started as a new fundraising opportunity in 2006 that helps us raise desperately needed funds that goes directly into the operating budget of the Ellis County SPCA.

Our Waxahachie shelter has been aiding and adopting homeless animals to qualified homes since 2004 and has placed hundreds of dogs and cats into loving homes. The generous support of individuals like you significantly adds to our ability to save the lives of animals in need of a second chance to find a forever home.

We are a private, non-profit 501(c)3 animal welfare organization that does not receive funding from any other humane agency or SPCA. We rely on contracts, grants, fundraising and private donations to help pay our operating costs that total more than \$250,000 each year.

This brochure includes a list of annual membership levels and the benefits included. We hope that you will consider becoming a member of the Ellis County SPCA and invite you to contact us at 972-935-0756 with any questions. You can also visit us at www.elliscountyspca.org if you would like additional information on our organization.

looking for love? Adopt a Homeless Pet

The sad truth is that 1 out of 4 animals born in the United States becomes homeless. During peak seasons, our shelter can receive more than 30 animals per day. There are far more animals in Ellis County than homes available and we URGENTLY need your help. Please consider one of the membership levels listed below. Each membership is good for one year and we are encouraging all of our supporters to join us in our fight to take a bite out of the homeless pet population.
